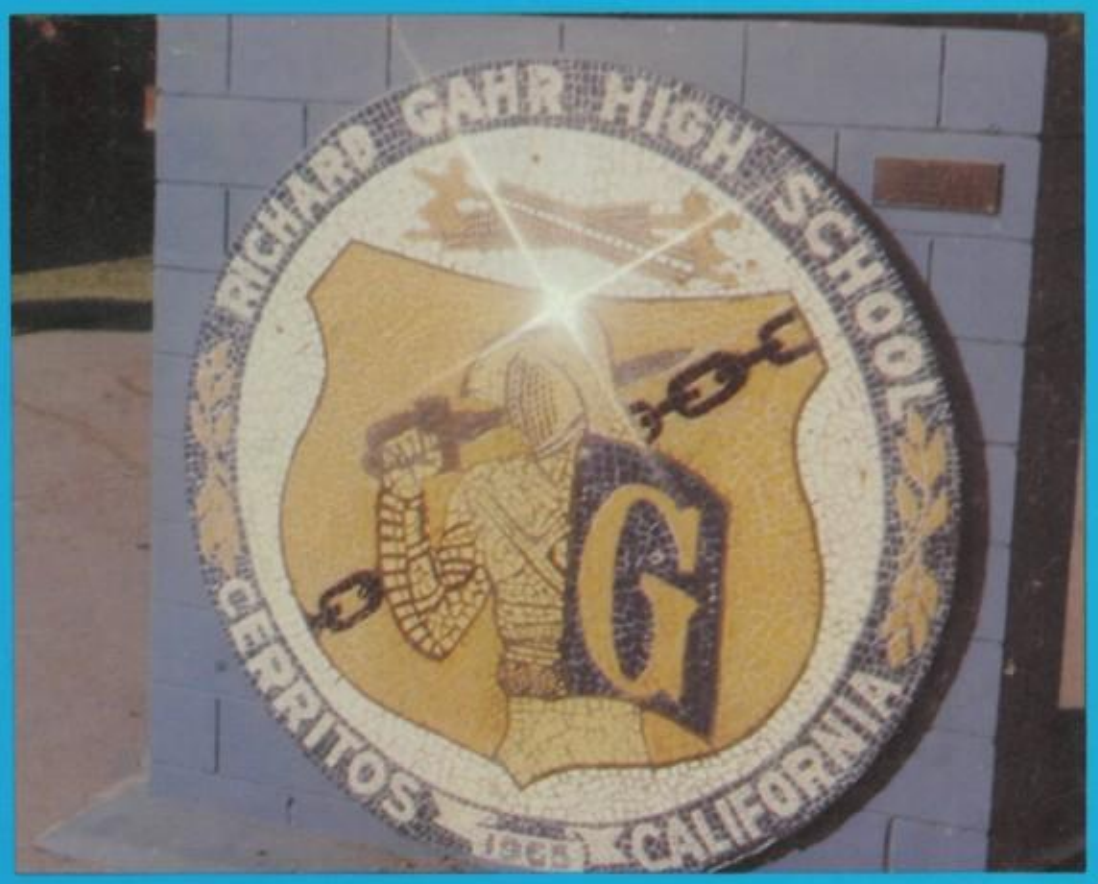
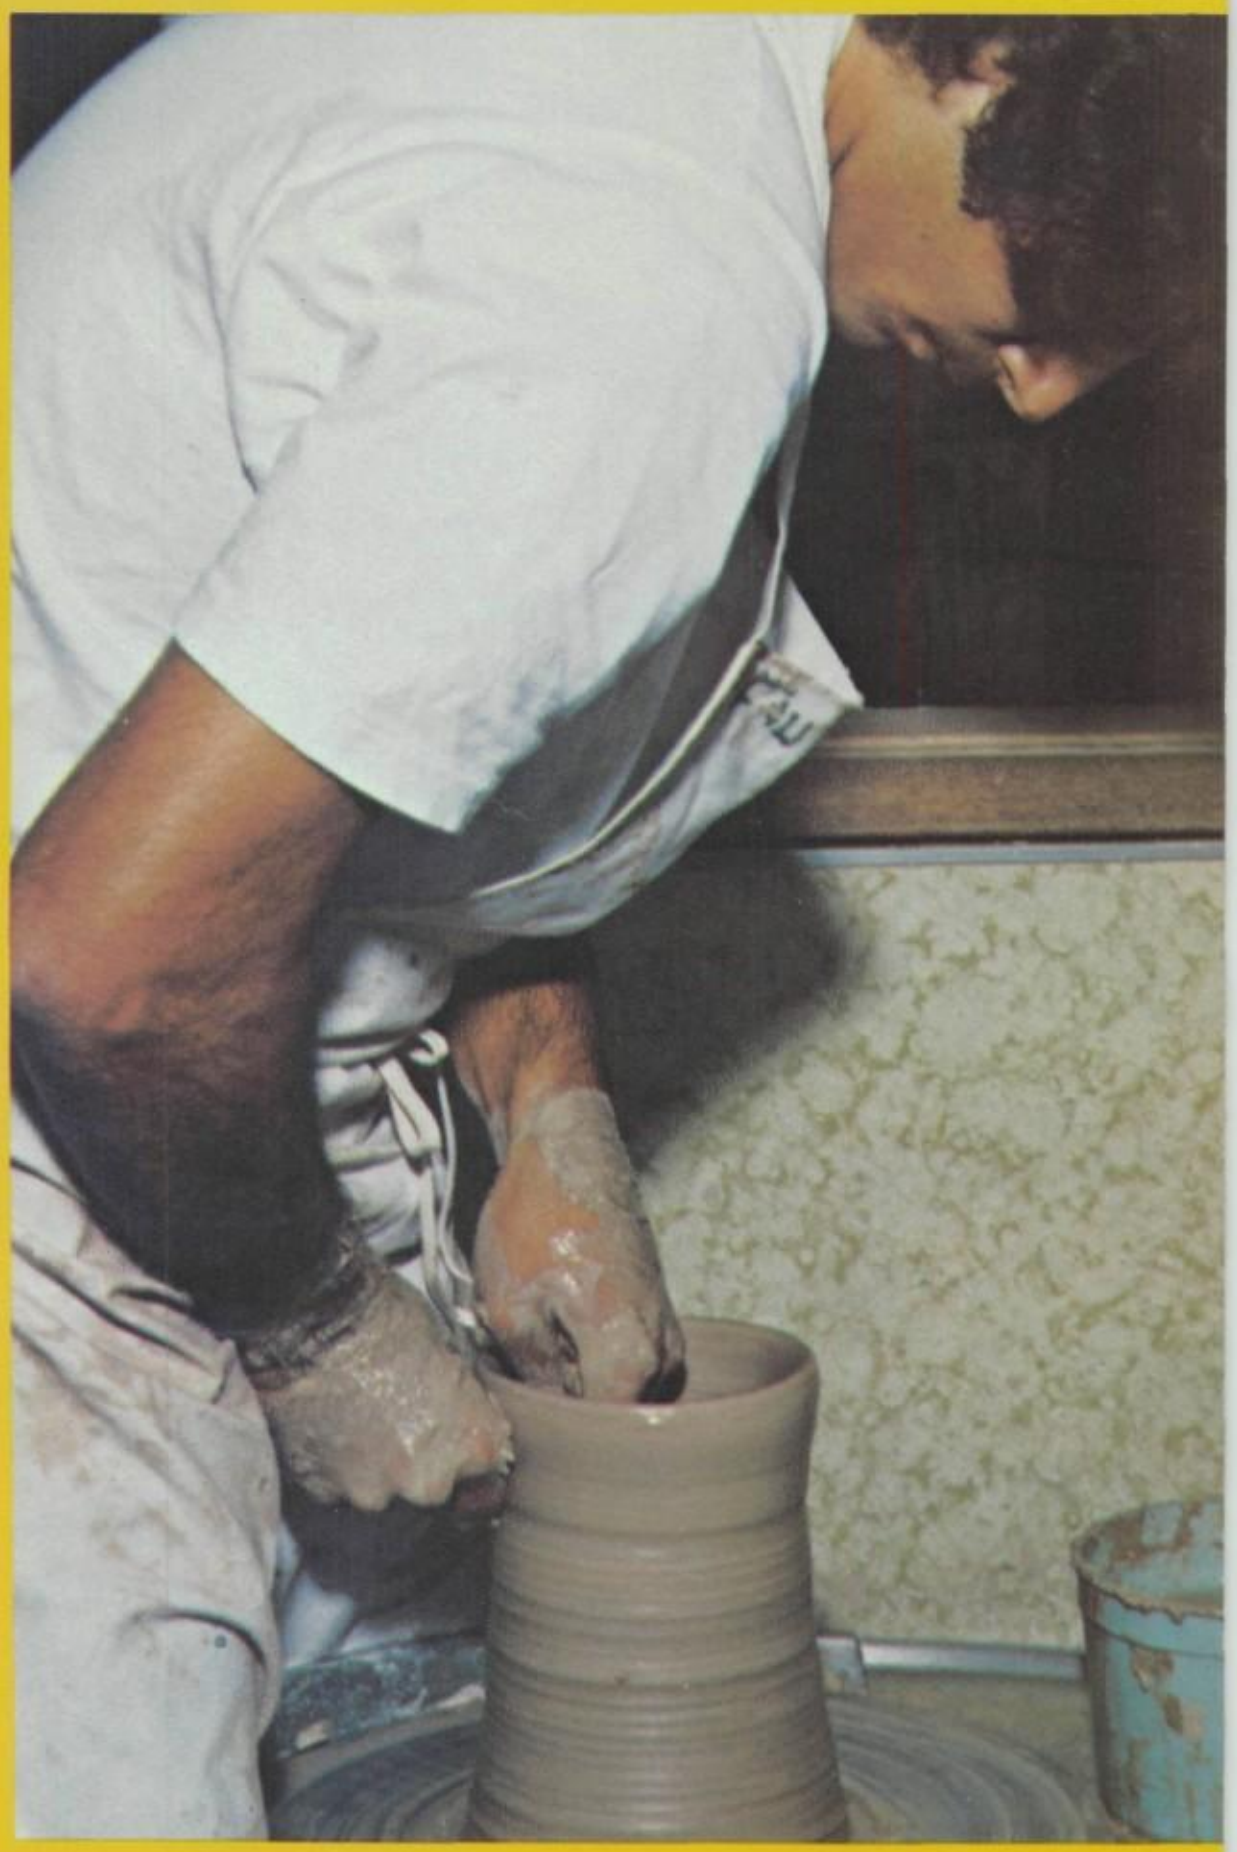
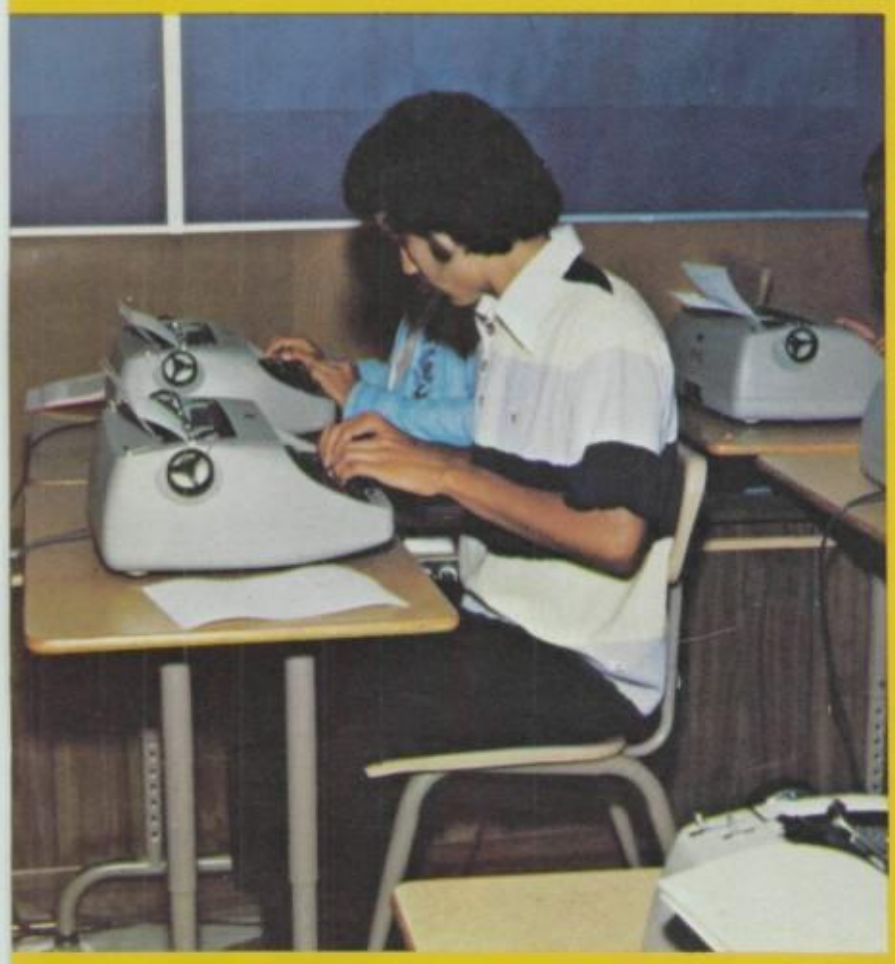
REFLECTIONS

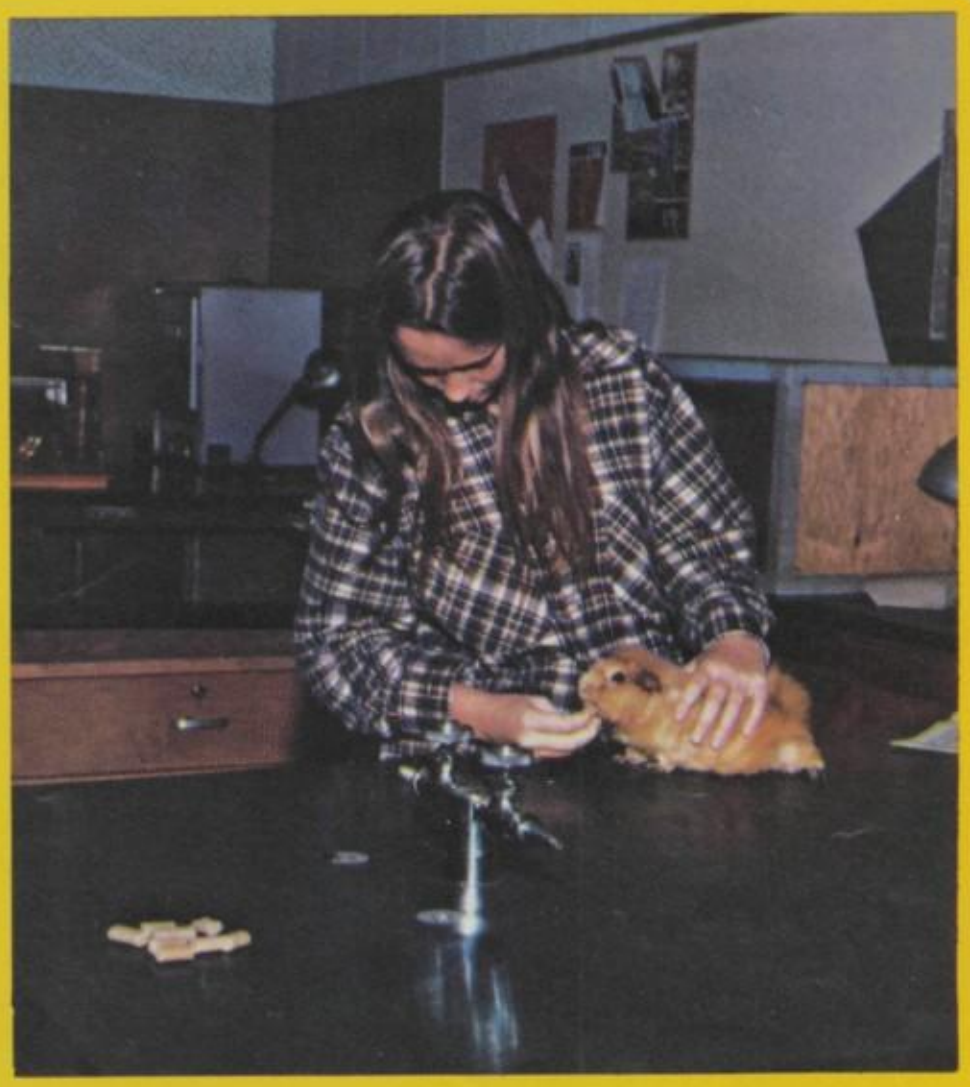


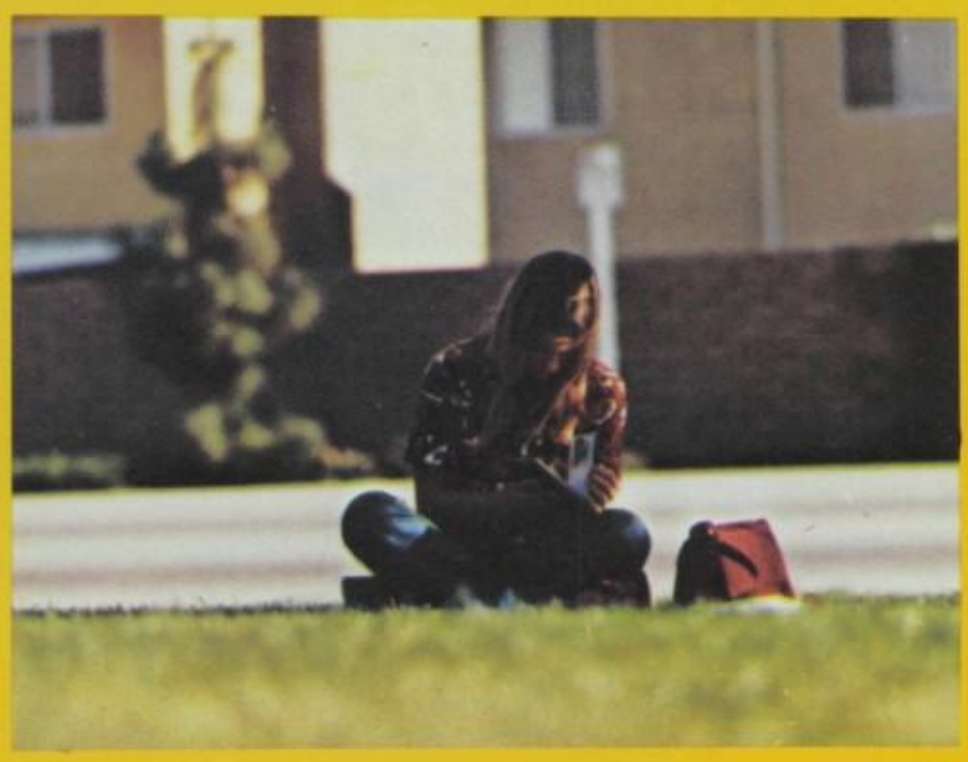
Pride is different things to different people. For some it is studying extra hard to make **Good Grades** taking advantage of the academic level their



school offers. For others it's just managing to remember what books to take to which class and beating the good old tardy bell.

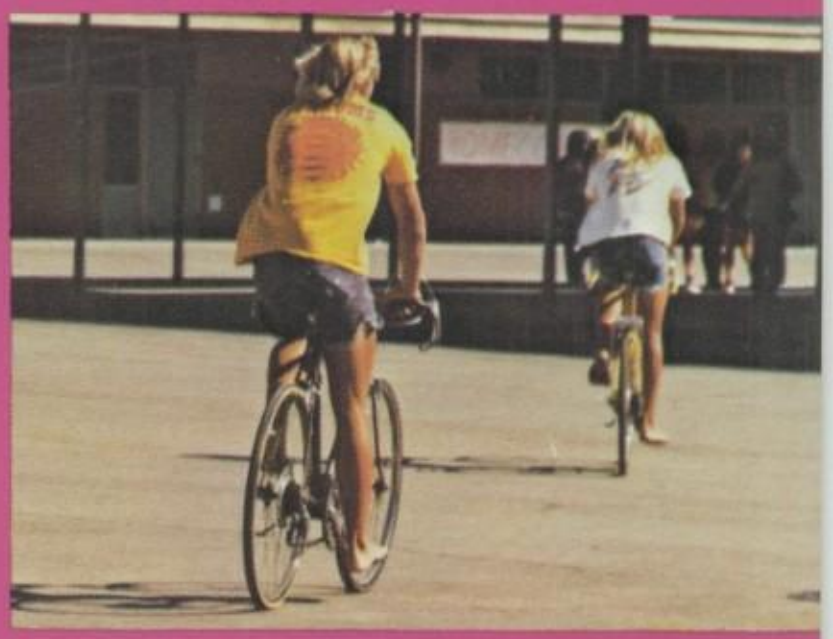


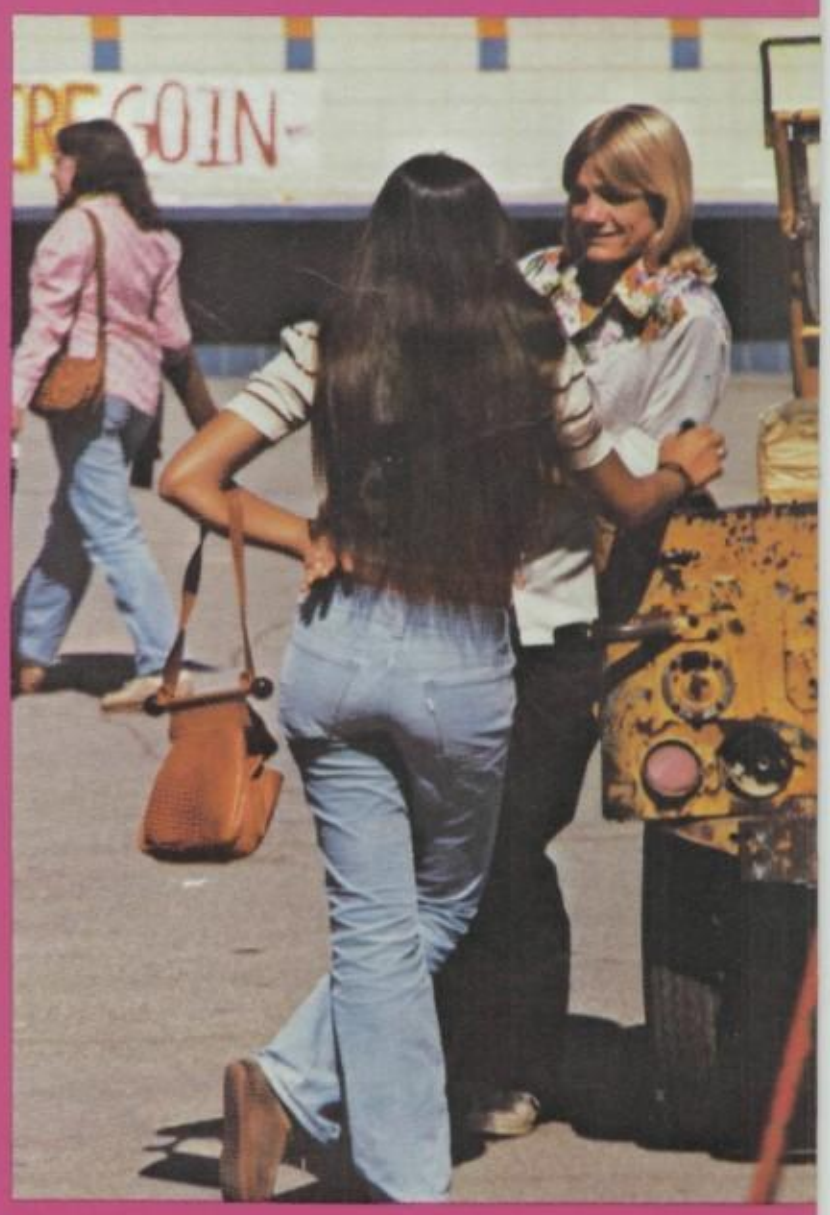




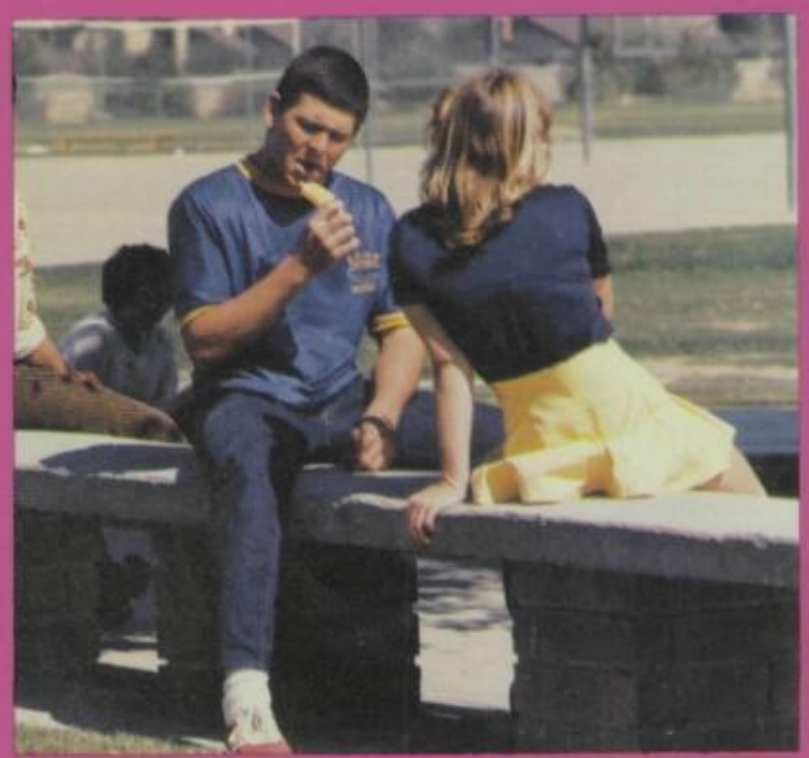
We receive two types of education at school — academic and social, each as important as the other. We find time to interact with others. Specialized friendships are just as vital.

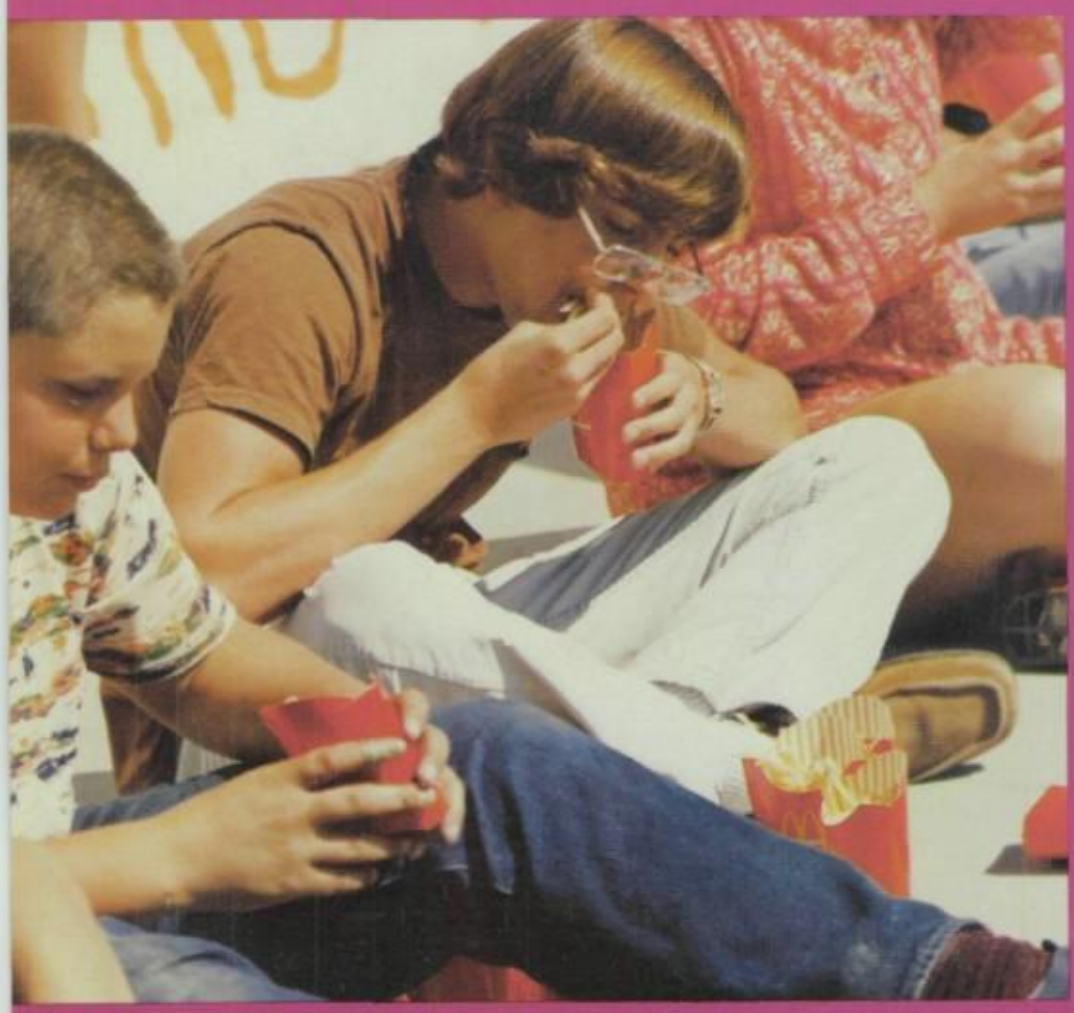
Relationships in which we can

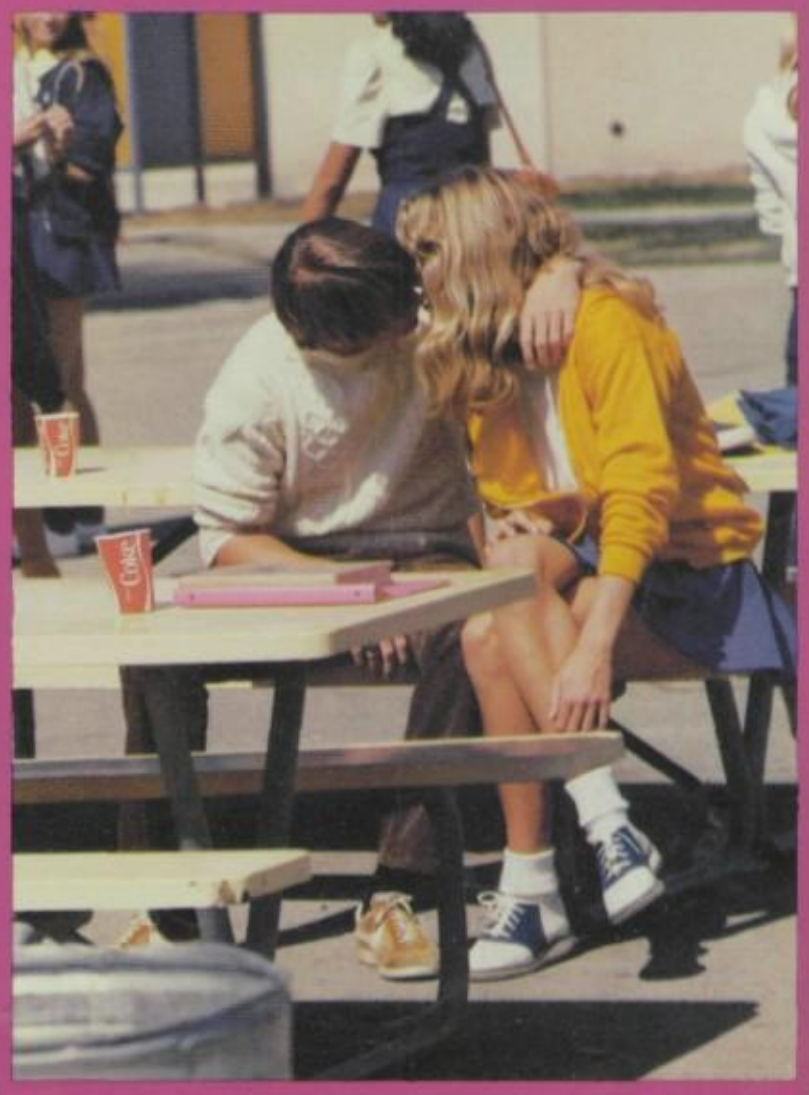




talk and share on a one to one basis. This strengthens and helps us grow more independent. If the individuals who serve as the basis for the system are strong, then the end result will be lasting.



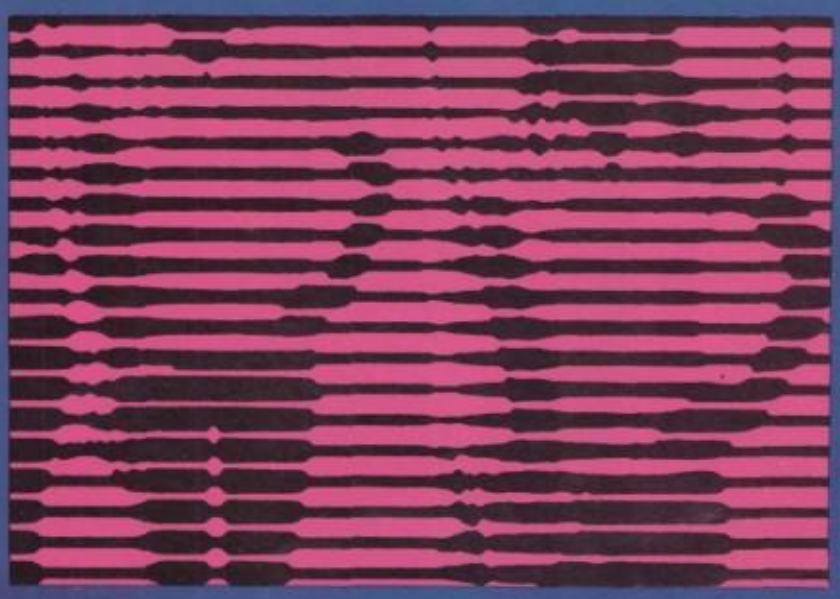


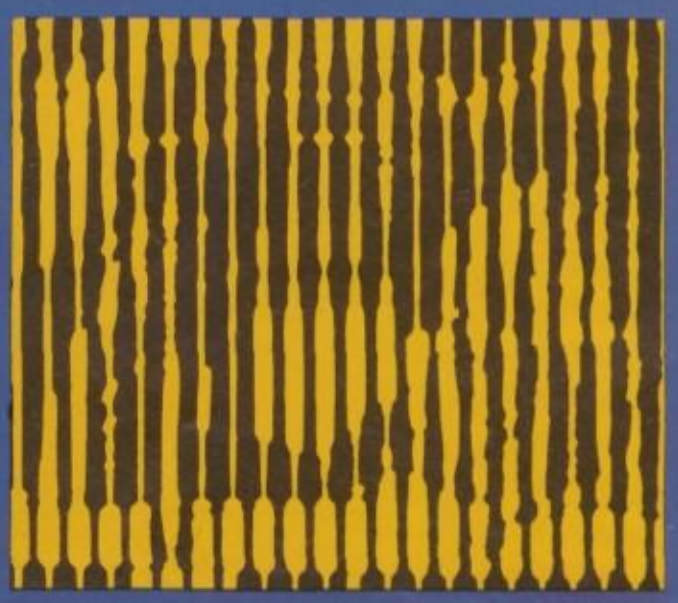


The Pep Units spend drawn-out hours perfecting yells and going over their routines. Band members puff until they're all puffed out, trying to reach that highest note. Players lift weights and run through the drills, ignoring

the aches and pains, and the growing feeling that they've endured about all they can. Each group practices their respective parts, knowing that their

Performance will reflect their pride and love for their school.





Involvement takes a willingness to give of yourself. We can all offer something different. Leadership abilities or artistic and

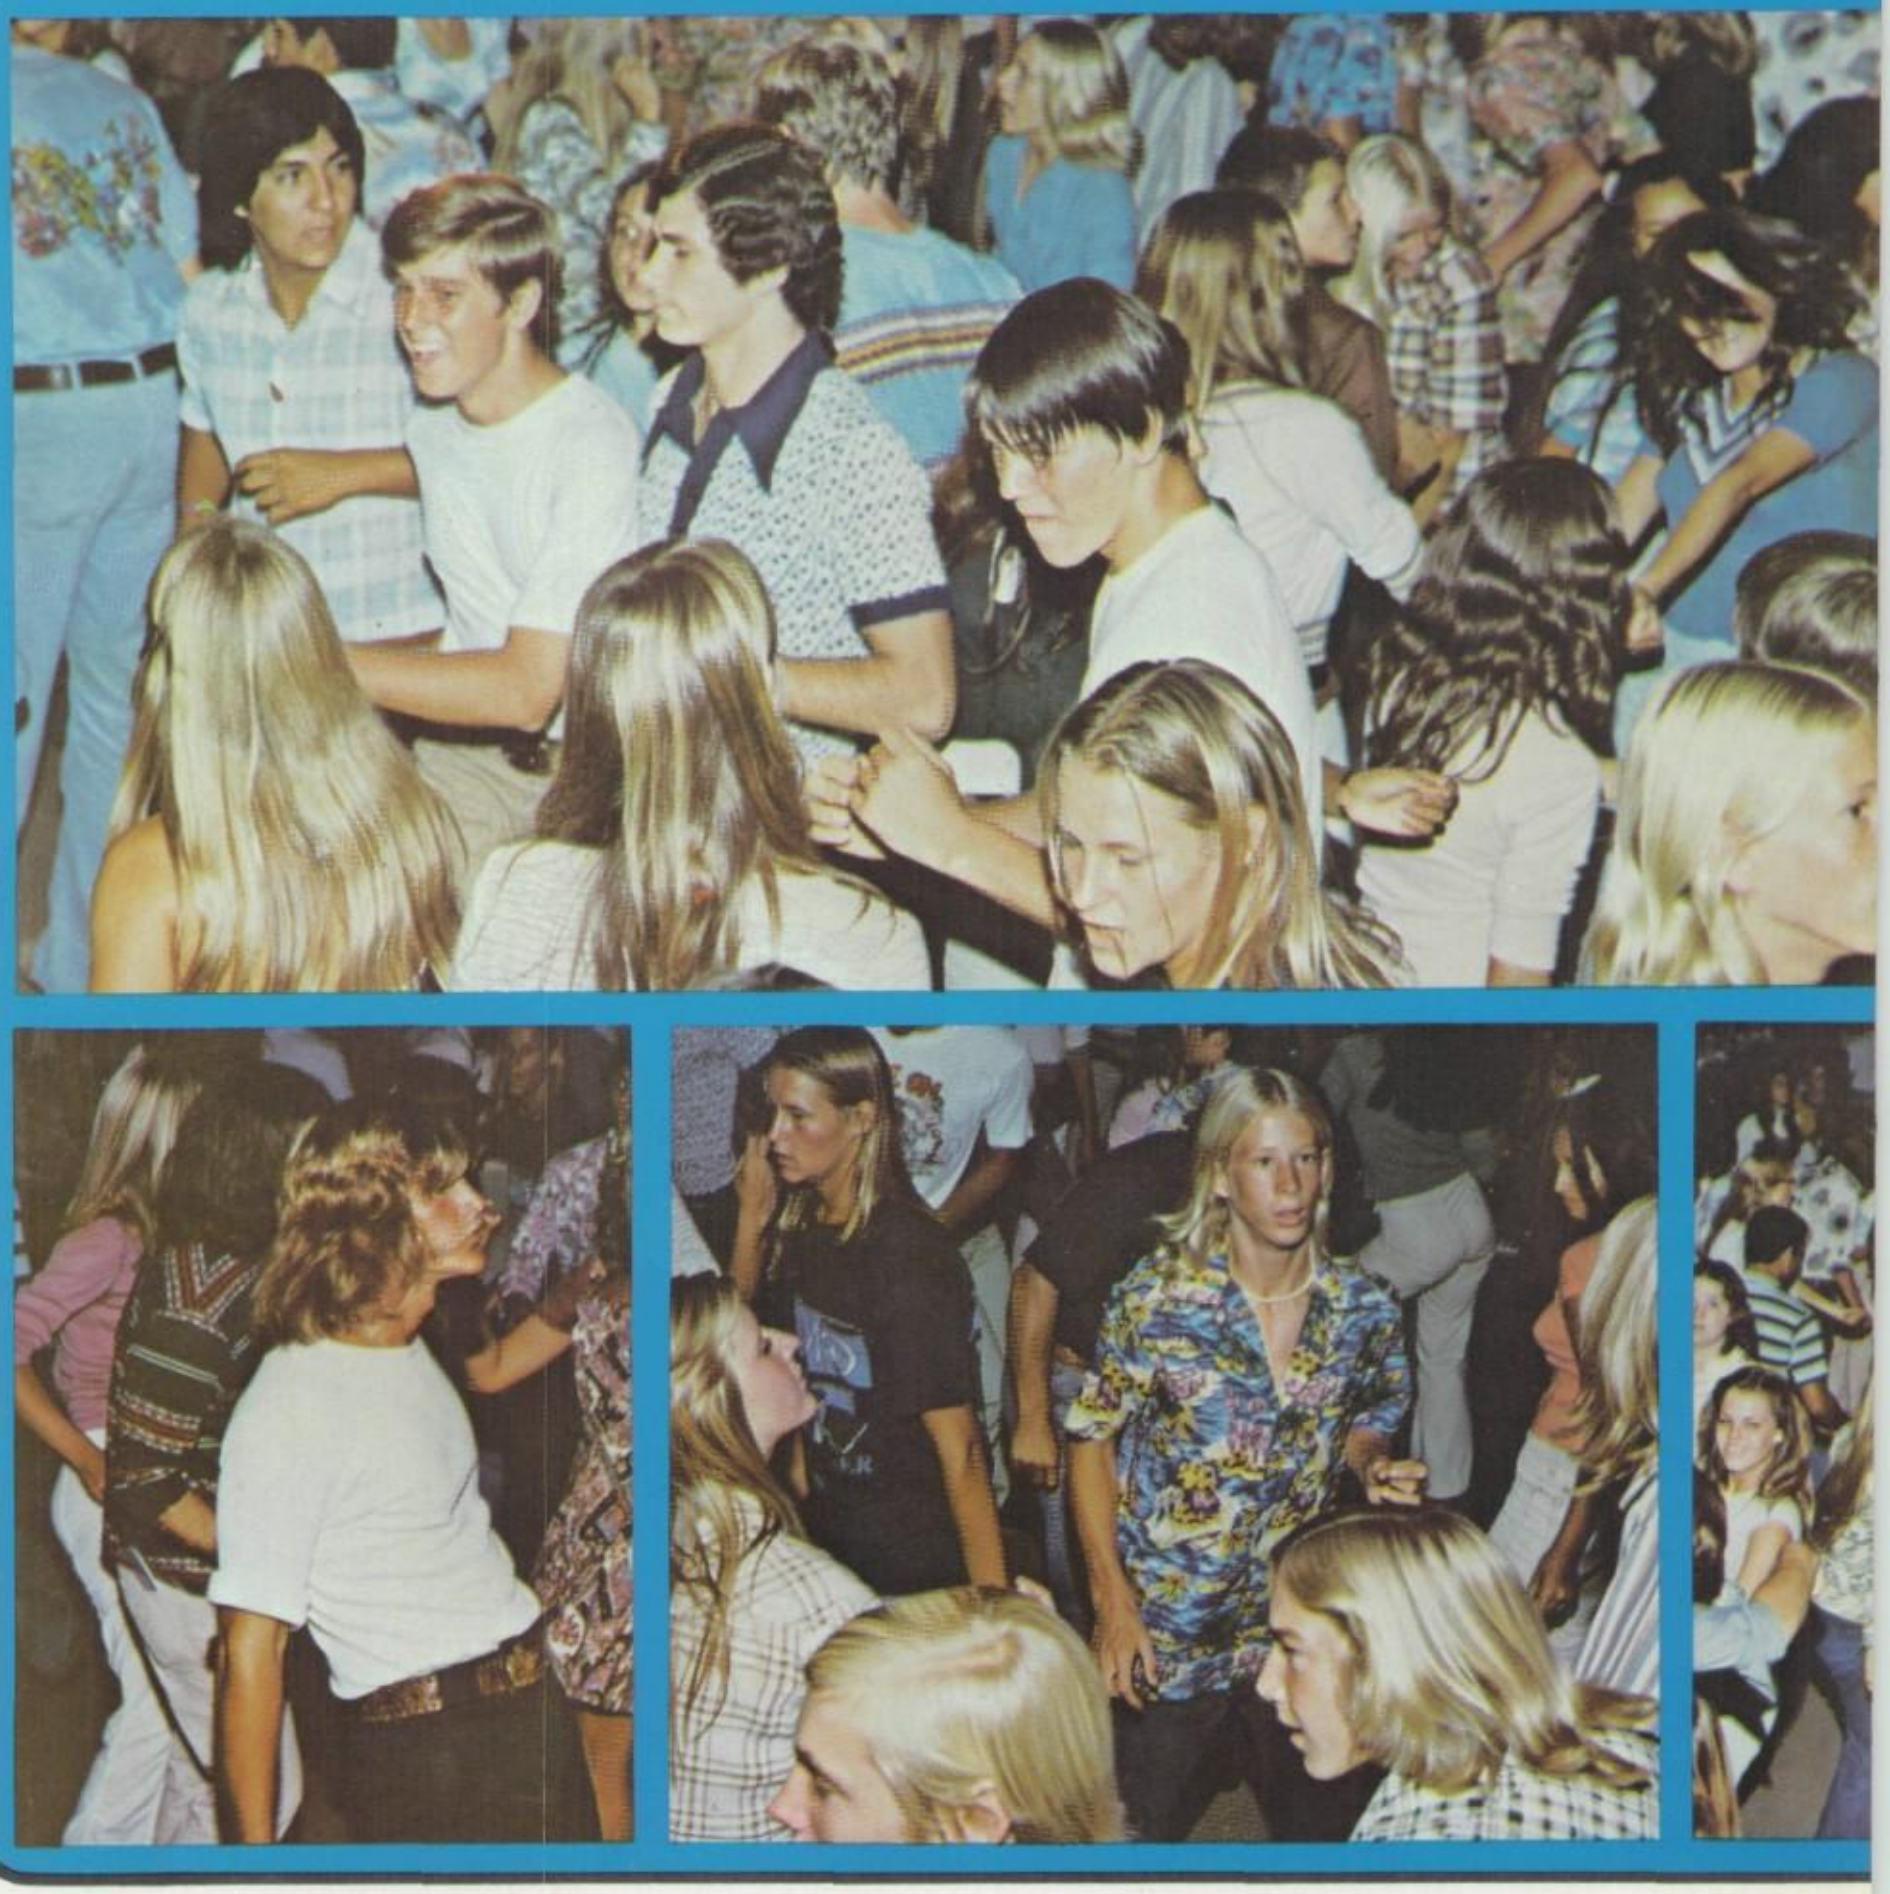
Creative

flair. Talents great and small,

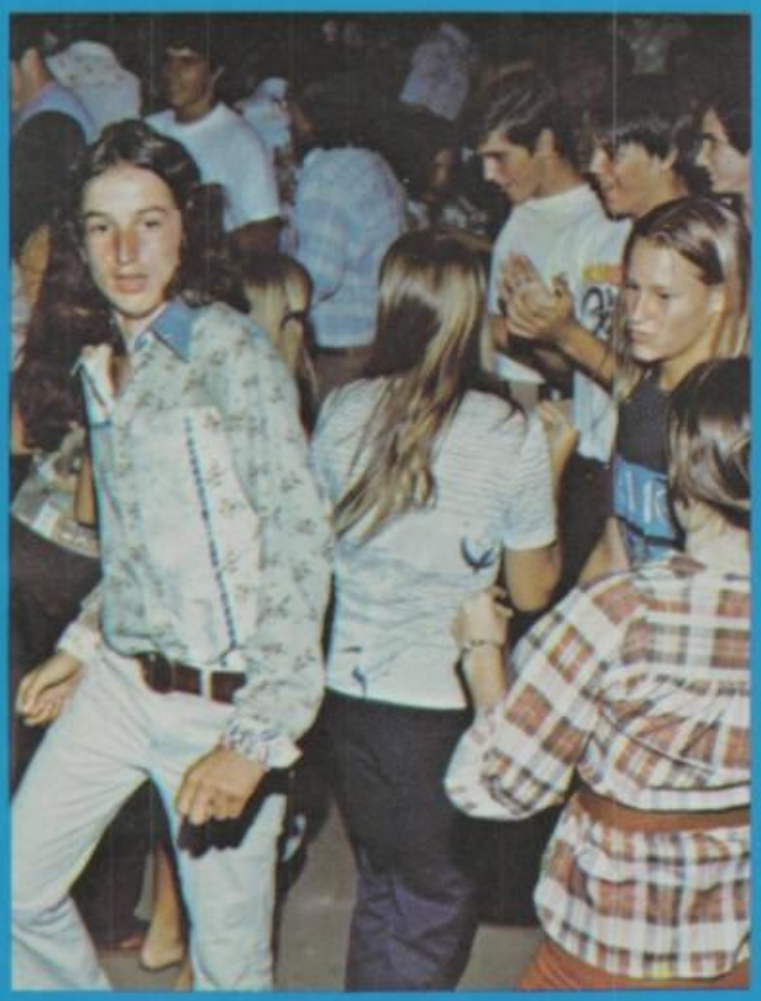
visible or hidden. That's not important. What matters is that we be willing to share our time and talents so that others may benefit.

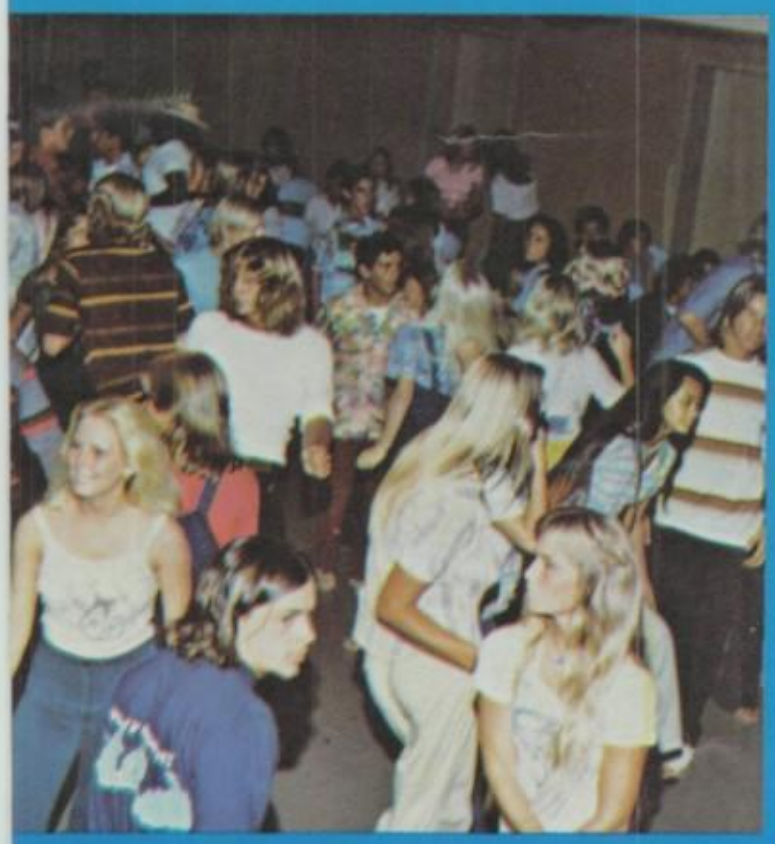
Hottest

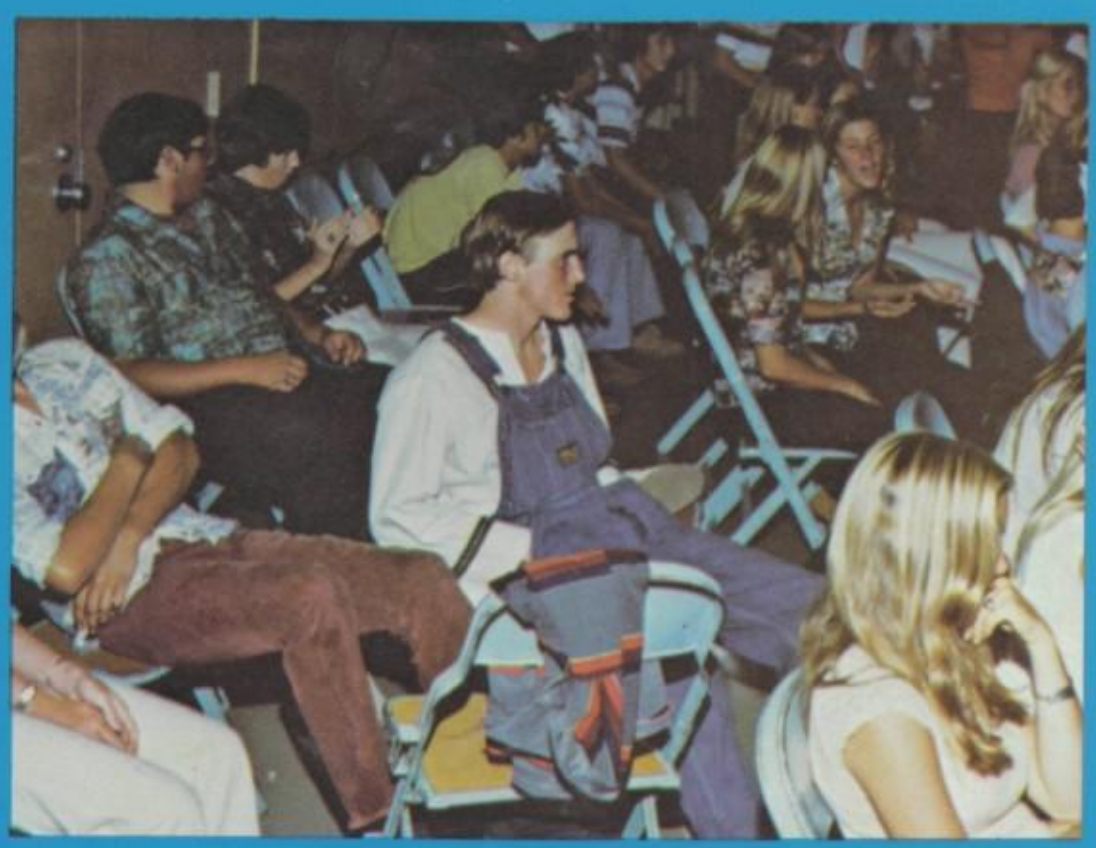
The Howdy Dance has been spoken of as the " event of the Year." With barely room to boogie, the dance was held in the MP room where spirits and temperatures were high.



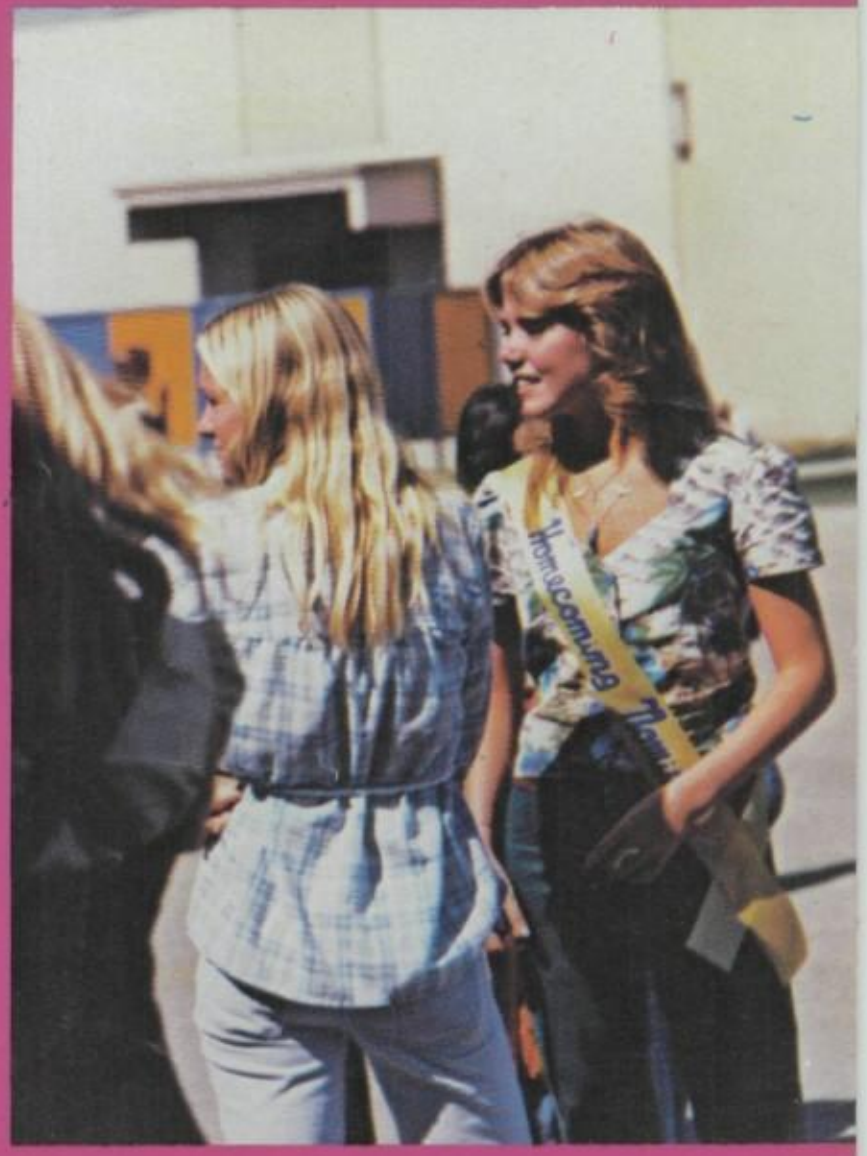
The band didn't seem to be hampered in their playing by lack of sufficient elbow room or oxygen. Weren't you glad you used Dial?



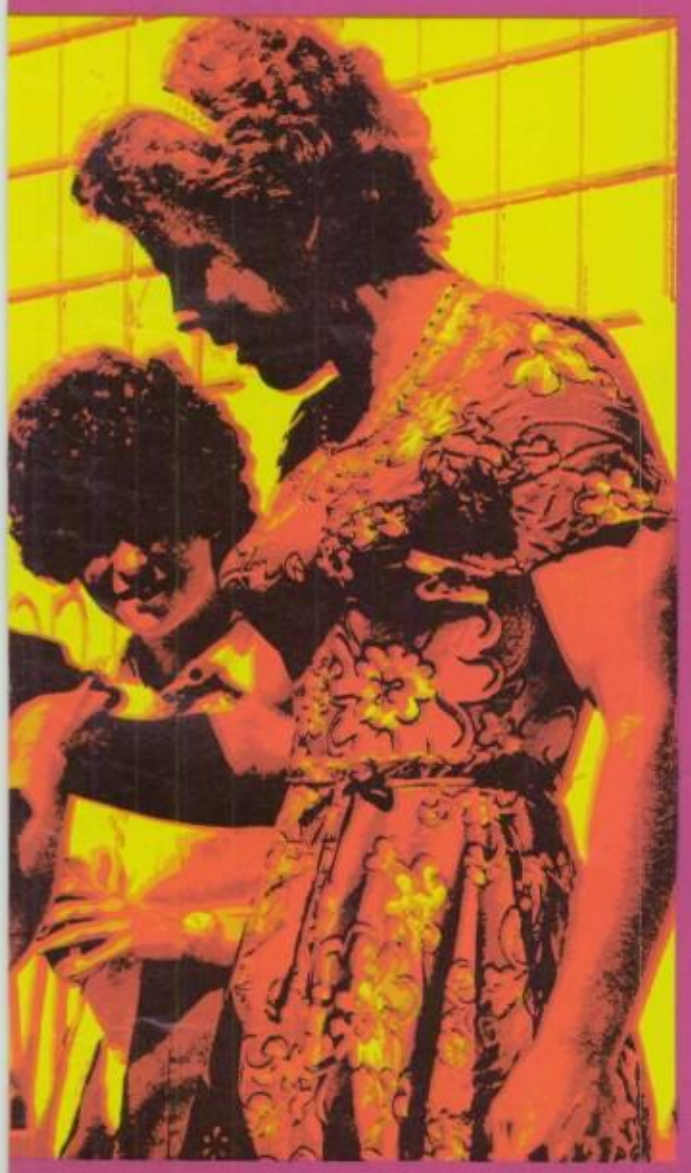




Getting prematurely accustomed to winter by planting your fanny on a block of ice, **Stuffing** your face full of hamburgers and french fries or being made up to look like the next Miss America,

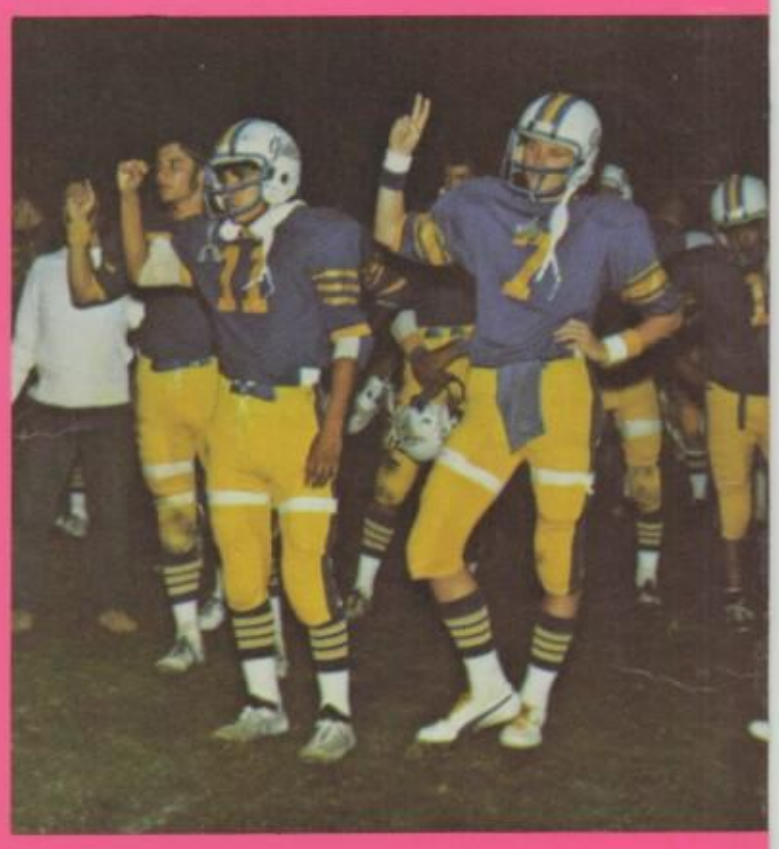


aren't your run-of-the-mill school activities. However, Spirit Week wasn't designed to be regular. It's a time when you can start your Kazoo Kazooing and prepare yourself for the games and the activities that follow.

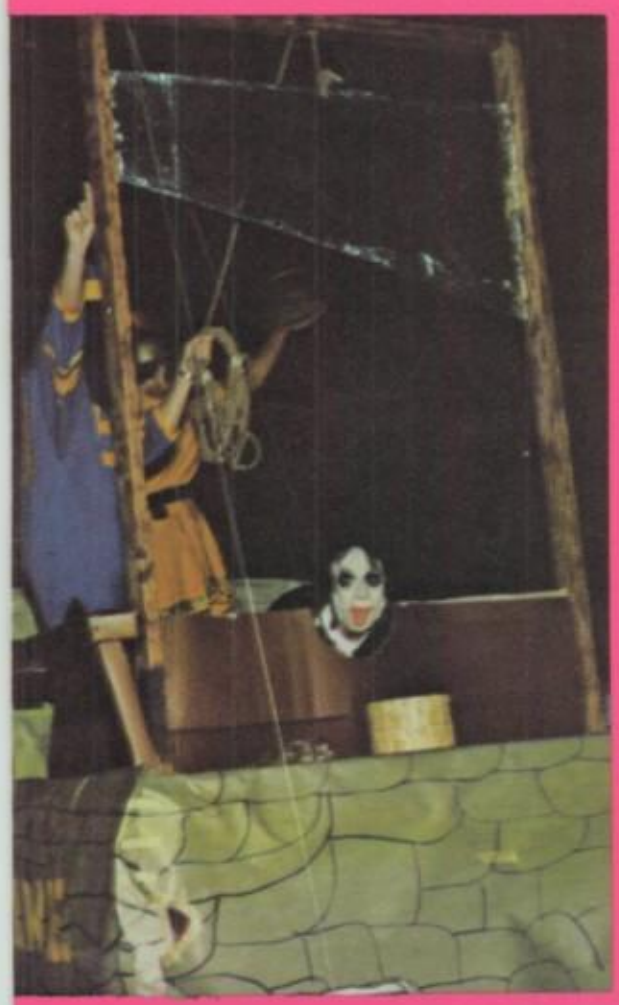


Beauty and the Beasts (in this case the beast being Snoopy) were both present to create a Homecoming that will long be remembered. Ronald McDonald minus his small fries and Mayor McCheese were on the spot to witness the crowning of

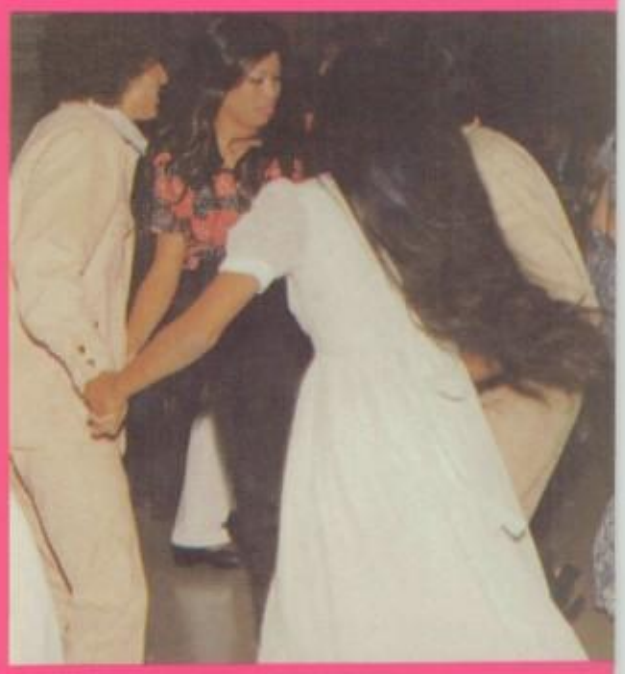
Cindy Carrillo as Homecoming Queen.

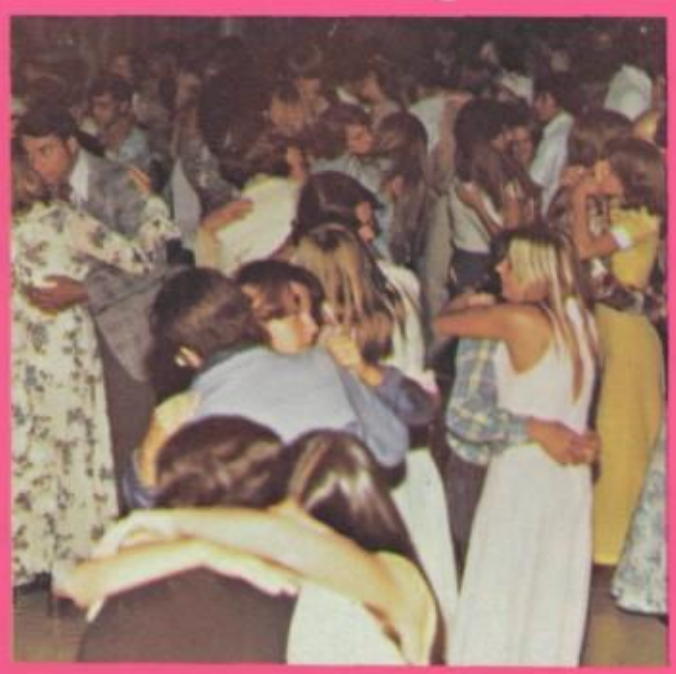


The floats entered in the parade included a leftover from the French Renaissance and the aforementioned Snoopy gunning for his arch-rival the Red Baron, in this instance Neff. The evening went smoothly and was enjoyed by all.



Homecoming





Linda,

This is going to be a long and sophisticated letter so get ready. Well anyway I don't worry about you know what that much while your gone cause I'm going to keep an eye on him so I can be able to talk you what happens. I'll let your folks friend I.D. will come out here and it seems like this summer because mothers all friendly with Mr. Gray. Do when you come back I'll have more things to inform you on. Well while you're in Europe you're going to have to talk to that cute black dude - that's supposed to be going on trip. Do when you come back you have to call me collect, telephone me better yet come home over there and you the one having yours. I think about you taking

Under the supervision of Virgina Schumm, Pep Squad practiced, laughed, argued, promoted spirit and suffered through weekly weigh-ins which were usually accompanied by

hunger pains

The squads worked and enjoyed good times together as well as separately.

Hard working Varsity Yell and Song were busy throughout the summer preparing for NCA camp at which both squads earned trophies. During the school year many long and sometimes tedious hours were spent on cheers and competition routines. J.V. Yell showed their undying spirit throughout the entire year supporting Frosh, Soph and J.V. teams of every sport. The new members to Pep Squad, The Flag Girls, added extra spirit and color on the field. Also, the help that Lynne Nagata, Pep Commissioner, provided at rallies and games gave Pep Squad members the extra time that was needed to practice individual routines.

Blue and gold clad Pep Club members could be seen scurrying across campus or busily working in front of room 212 in a new role this year. Efforts to encourage school spirit, led by Lynne Nagata, Gahr's first Pep Commissioner, included painting signs for all games, selling Friday **spirit suckers** helping sell programs at games, and supporting rallies and games with their contagious enthusiasm.

One of the more spirited and dedicated groups on campus is Drill Team. Their hard work at practice brought them a second place trophy at the Artesia Parade and excellent performances at competitions. Half-times at football games proved to be **imaginative** and entertaining. Led by Susan Drube, assistant Cheryl Glines, and advisor Miss Volta, Drill Team had another outstanding year.

Media Guild

The purpose of the Media Guild is service. Club members volunteer their time to work in the library before, after school, at snack and lunch. They check in and out books to students, help process new **books** to be added to the shelves and assist students in finding materials. The Club contributes much in the way of service; this year a Christmas canned food drive made the holidays brighter for many. A Night of One Acts

On the evenings of December 11, 12, 13, four comedies of various styles were presented to an interested audience.

Theater of the absurd was seen in "The Bald Soprano." The unusual dialogue was performed by Tim Gollmer, Katarina Saworotnow, Steve Wellbaum, Sandi Navarro, Leslie Watkins and Joanne Lauridsen-Bache.

"The Marriage Proposal" written by Anton Chekhov, is a Russian play whose **humor** is derived from interaction between people in real life situations. This one act play was performed by Carmen Landa, Mike Bowman and Glenn Lauridsen-Bache.

Woody Allen's "Death Knocks" proved to be a great vehicle for comedians Tim Gollmer and Steve Wellbaum.

The ever popular melodrama, complete with boo's and hisses literally rounded out the evening with "Run to the Round House Nellie, He Can't Corner You There."

Magic of Mistletoe

The holiday season was brightened this year with the "Magic of Mistletoe," the annual Christmas Dance. The event was brought together with a great effort by the Drill Team. Volker, Dunham, and Heard provided the

season's sounds

The brightest moment of the evening came when Pam Matthews was crowned "Snowball Queen" by drill team leader Susan Drube. Pam's court was completed by Dani Preuss and Debbie Zuniga.

Yuletide Spirit

On December 19 the Madrigals, Choir, and the Thespians put on a special Christmas Assembly. Under the direction of Mrs. Donahue the choir and Madrigals sang traditional **Christmas** songs which helped to boost the spirit of the season. The Thespians ended the occasion with the telling and acting of the story, "How the Grinch Stole Christmas." It was evident that a lot of time and hard work was put into preparing the production.

As winners of the classroom decorating contest, Mr. Wray's and Mr. Walsh's classes contributed to the Christmas spirit along with the German club's Weihnachtsfest.

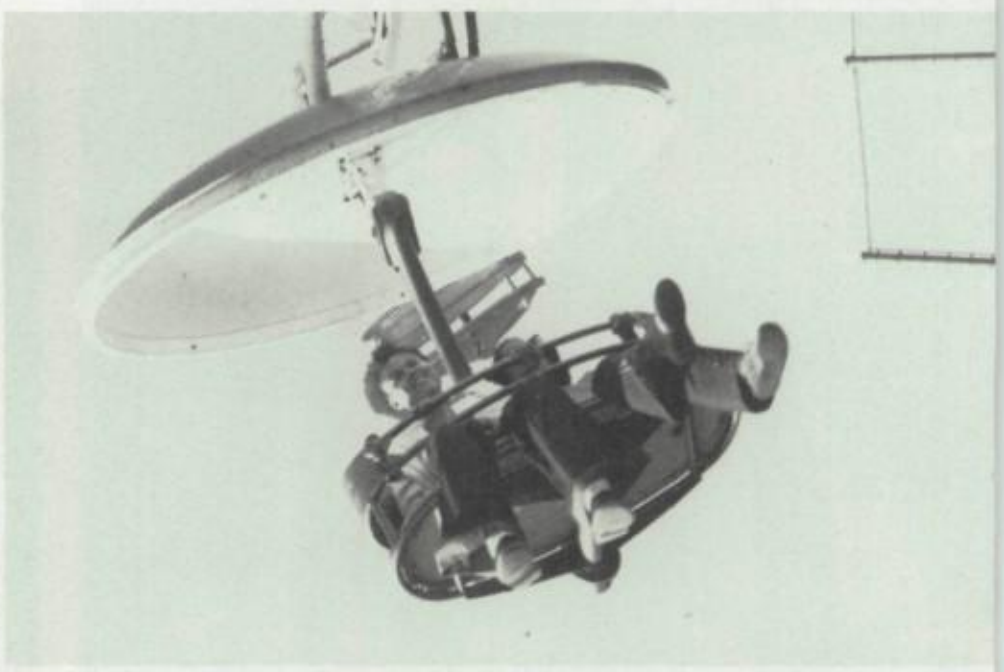
Band Carnival



This year the carnival sponsored by the Gahr band was the greatest ever! Not only was it the most profitable year in Gahr's Carnival history but it was the first year in quite awhile that it hadn't rained! The fact that there was **no rain** was probably the major cause for the large income. However, most of the credit has to go to the Gahr students, parents and faculty members who spent many long hours working towards that goal.

Activities ranged from having your friends and enemies put into the choir's jail for only a quarter, dunking the drill team's lovelies, to spending money in order to win money from the F.B.L.A.'s jingle board. Throughout this **frenetic** activity the Asian American club, U.M.A.S.C., Cadets and the Class of '78 kept up our strength with delicious Asian food, burritos, pizza and the perennial hot dog. Coach Nicklas' dream finally came true this year as the Varsity won their first league championship, losing only to Neff. The loss was especially disappointing for the seniors as it was their last chance at revenge for the two previous years. The weeks that followed undoubtedly belonged to Gahr. Crosstown rivals Artesia and Mayfair were both blown off the field, Mayfair being held scoreless. Next came Glenn and again the Gladiators emerged

victorious At the final game to decide the league title, Gahr dismantled Excelsior, setting a new scoring record in the process.

J.V. Football

Throughout the season the JV's had many outstanding individual performances on both offense and defense. As an example, when mid-season found the team without a quarterback, Joe Ortiz and Alan Takeuchi stepped in to take up the slack. Mike Parks also did an excellent job as a running back throughout the year. The defense was led by Mike Woods and Vernon D'Orazio. The returning members of the varsity squad along with these players promise **great hopes** for next year's team.

Varsity Basketball

In preseason, Gahr's Varsity Basketball team under veteran coach Tom Pryor traveled to San Diego and Las Vegas to participate in tournaments. The team looked like they had settled into a powerful club and proved themselves when they moved into league action and clenched the Suburban League title with an **unbeatable** 10-0 record. CIF first round action brought a disappointing loss to the team, finishing off the season with a 20-7 record.

The team voted Gregg Riphagen, Harold Homsher and Rodney Brandon the MVP's of the squad.

J.V. Baseball

J.V. Baseball was coached this year by Mr. Ednoff. Although a **young** team, (all sophomores except one junior and a freshman), they were beginning to put it together and going into league play had hopes of a league title. Some of the outstanding players included the leading hitter, Ron Butler, pitcher Mario Lopatriello, and second baseman Steve Gmur. Co-captains were Steve Gmur and Mark Prins.

JUNIOR VARSITY BASEBALL TEAM: Steve Gmur, Greg Jipp, Ron Butler, Mark Prins, Tom Nieto, Steve Johnkow, Jim Patterson, Mario Lopatriello, Jim Smith, Steve Hall, Brad Peabody, Tim Welch, Gary Mills, Jeff Wiersma, Val Garrett, Ismael Santellan, and Tony Perri.

Frosh Baseball

As in recent years, there was another fine turnout for the freshman baseball team. The pitching duties were mostly attended to by Herbert Loo, Jeff Adamson, and Mike Hanson, with occasional help from Darvin Clardy, Ron O'Farrell and Mike Chatreau. A fine **defensive** infield of Steve Roule 1B, Mike Chatreau 2B, Jim Bolander SS, and Mike Hanson 3B, along with Catcher Bob Russell aided Gahr in many of their wins. The outfield was patrolled by Emeric McCleary, Darvin Clardy, and Buddy Preuss. In the hitting department, base hits were often collected by Herb Loo, Mike Hanson, Darvin Clardy, and Steve Roule. The freshman coaching staff was well pleased because the efforts of the entire team made it a very successful year.

J.V. Tennis

This year's J.V. tennis team has an excellent chance to win league, based on a **solid** pre-season performance. Returning from last year's team, Jon Hitz, Bob Hamil, and Wally Wong (all juniors) are good prospects for varsity next year, having proved to be valuable singles players.

Golf

This year's golf team is young with two sophomores and four juniors, but shows **promise** and should make a good showing for itself against league opponents. Returning lettermen Jim Ream, Bill Schumpert, Randy Downs aided the team to an overall record of 4-3.

TEAM MEMBERS: Jim Ream, Bill Schumpert, John Gallardo, Randy Downs, Anders Langeland, Jeff Remington, Coach Houseman.

TEAM MEMBERS: Terry Morales, Pontsi Bacquer, Lauao Laulu, Kelly Whisler, Patti Ahuna, Cindy Hargis, Nora Baker, Jo Ann Shimomura, Roxanne Martinson, and Sheri Amundson.

The season began with a bad start for our Varsity Volleyball team. Although their record doesn't show it, towards the end of the season the girls finally began showing their **strength** as a unit. Their most exciting games turned out to be those played against Neff. Defeated in the first round action, Gahr came back to play their best game of the season and won a close victory of 16-14 over the Trojans in the second round, but again fell to them in the third and final round. The season record for the team was 3-9.

I will be in this spot next year.

Last year, a bicentennial celebration was a slowly building idea in Mr. Roger's Americana Studies class. But with his dedication and the hard work and support of many students, faculty and sponsors, Gahr's Bicentennial Celebration became a reality from February 17 to February 28,

1976.

Gahr's first week of the bicentennial celebration was filled with a variety of **outrageous** contests. The winning time for eating 100 shelled peanuts was 4 minutes and 15 seconds set by Ron Benudiz, far short of the world record of 59.2 seconds. Clayton Muns twisted his face into first place in the gurning contest and Mr. Correa took the heavyweight division armwrestling title. Rick Goss and Richard White tied for the lightweight division. Mr. Blahnik served as auctioneer and took bids on box lunches. Later in the afternoon, Field Day Events sparked competition among the students.

1776-1976

The American Heritage Dress Up Day turned out to be an activity many students enjoyed. The idea of the day was to remind everyone of America's melting **pot** concept — that we are composed of numerous ethnic groups all contributing to our nation's greatness.

The Bicentennial Dance was an optional costume dance. Many couples did dress in costume. Cathy Thiele and Ron Casteel won the most original costume awards while Tracey Redden and Bill Anderson received awards for the most authentic costumes.

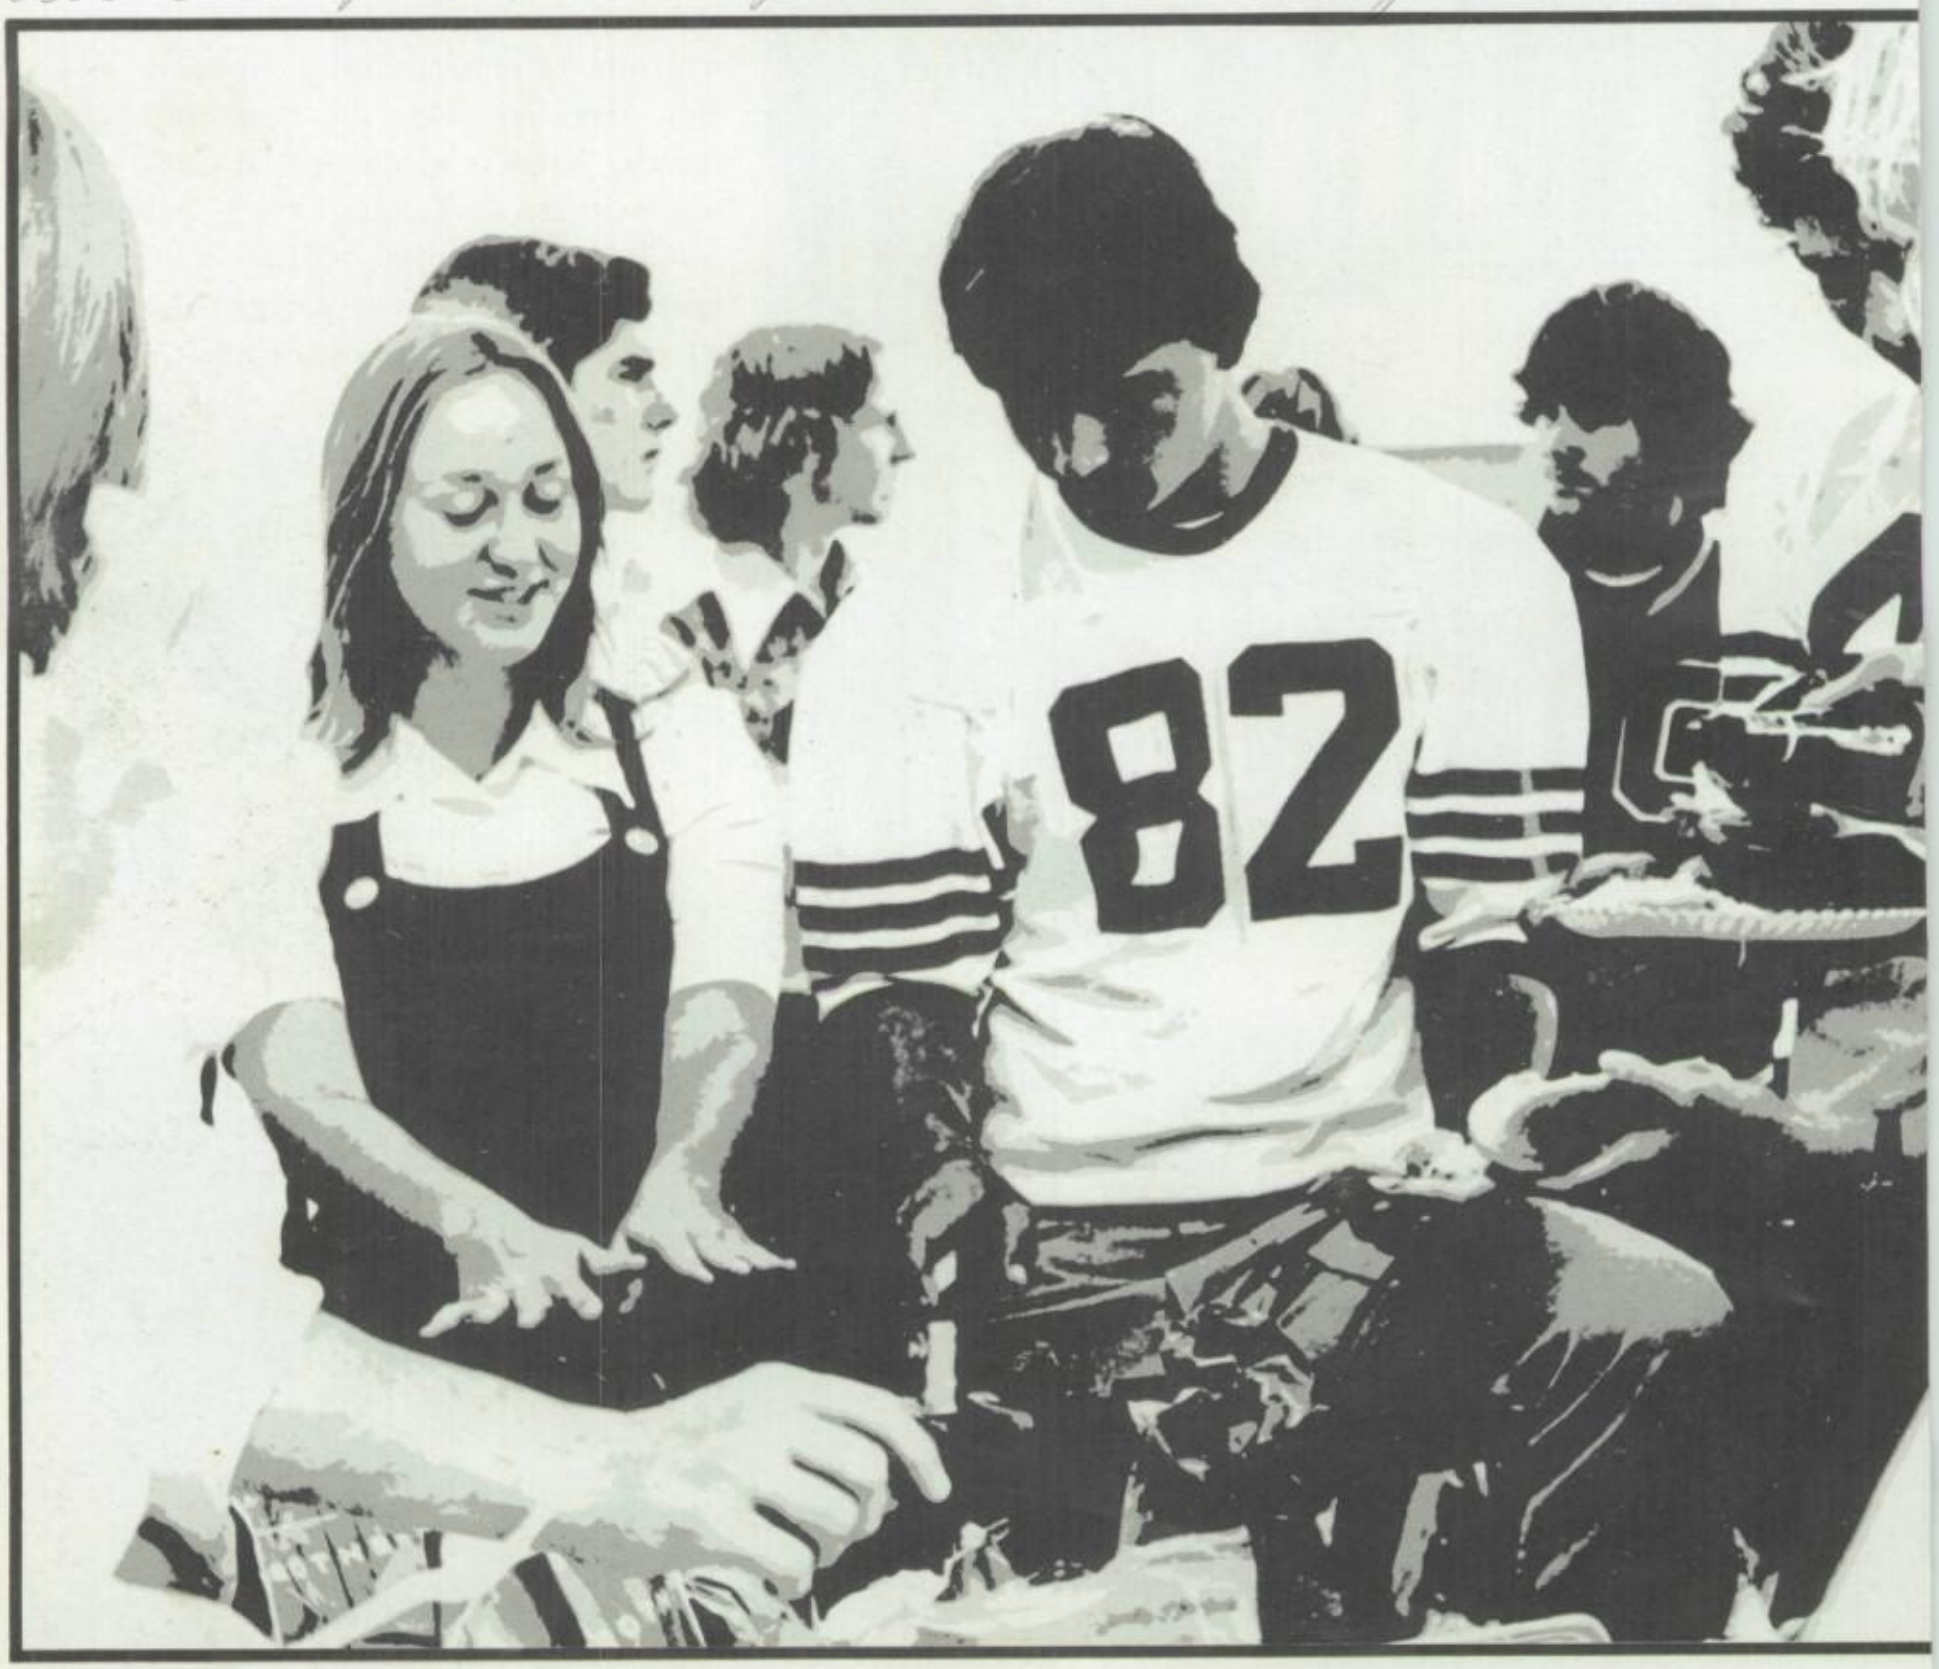
Dedication

of the Bicentennial Square and a drill competition by the Gahr Cadets climaxed the week's activities. Dr. Rants welcomed the local dignitaries and Bill Anderson made the dedicatory speech. Winners of the Speech Contest were 1st — Tamara Oliver, 2nd — Clayton Muns, 3rd — Mike Bowman. Tony Dillard was declared the winner of the school's poster contest.

Reserved.

Linda,

To "Shorty", one of my closest friends. As this year passes away memories flash back of the things we use to do and talk about such as me + Chris, Jason, Rodney, Kim + Michael, Ramona + Randy, and etc. It's sad when we begin to think about the fact that we aren't going to be together next year. I'm going to miss you along with your craziness, friendship, and our teasing one another. I'll going to miss all the basketball games and parties. Promise me that you will tell me about everything that goes on. I want to know about the prom, who you like, who everyone else likes,



and etc. Please stay in contact. Try out for some thing next year because I'm behind you all the way. Take care of yourself and have fun this summer, next year, and in the years to come. I hope that you get everything that you want of life. May your joys be as deep as the ocean and your sorrows as light as the foam.

Love + Friendship Always

Annual Message

We will remember this school year throughout the rest of our lives because of our nation's 200th birthday. In thinking about and observing the occasion, the Gahr student body has provided a permanent memory with Bicentennial Square. Generations of students will enjoy this accomplishment by our present classes.

You will be much in my memories as a student body who achieved

unity

As a cause became important the support became strong and success was achieved. This athletic year has been the greatest in Gahr history with the leaders getting scholarships because they are scholars.

Our most important lesson learned this year has been how much accomplishment comes from respect for and cooperation with each other. Thank you for your contribution to Gahr High School.

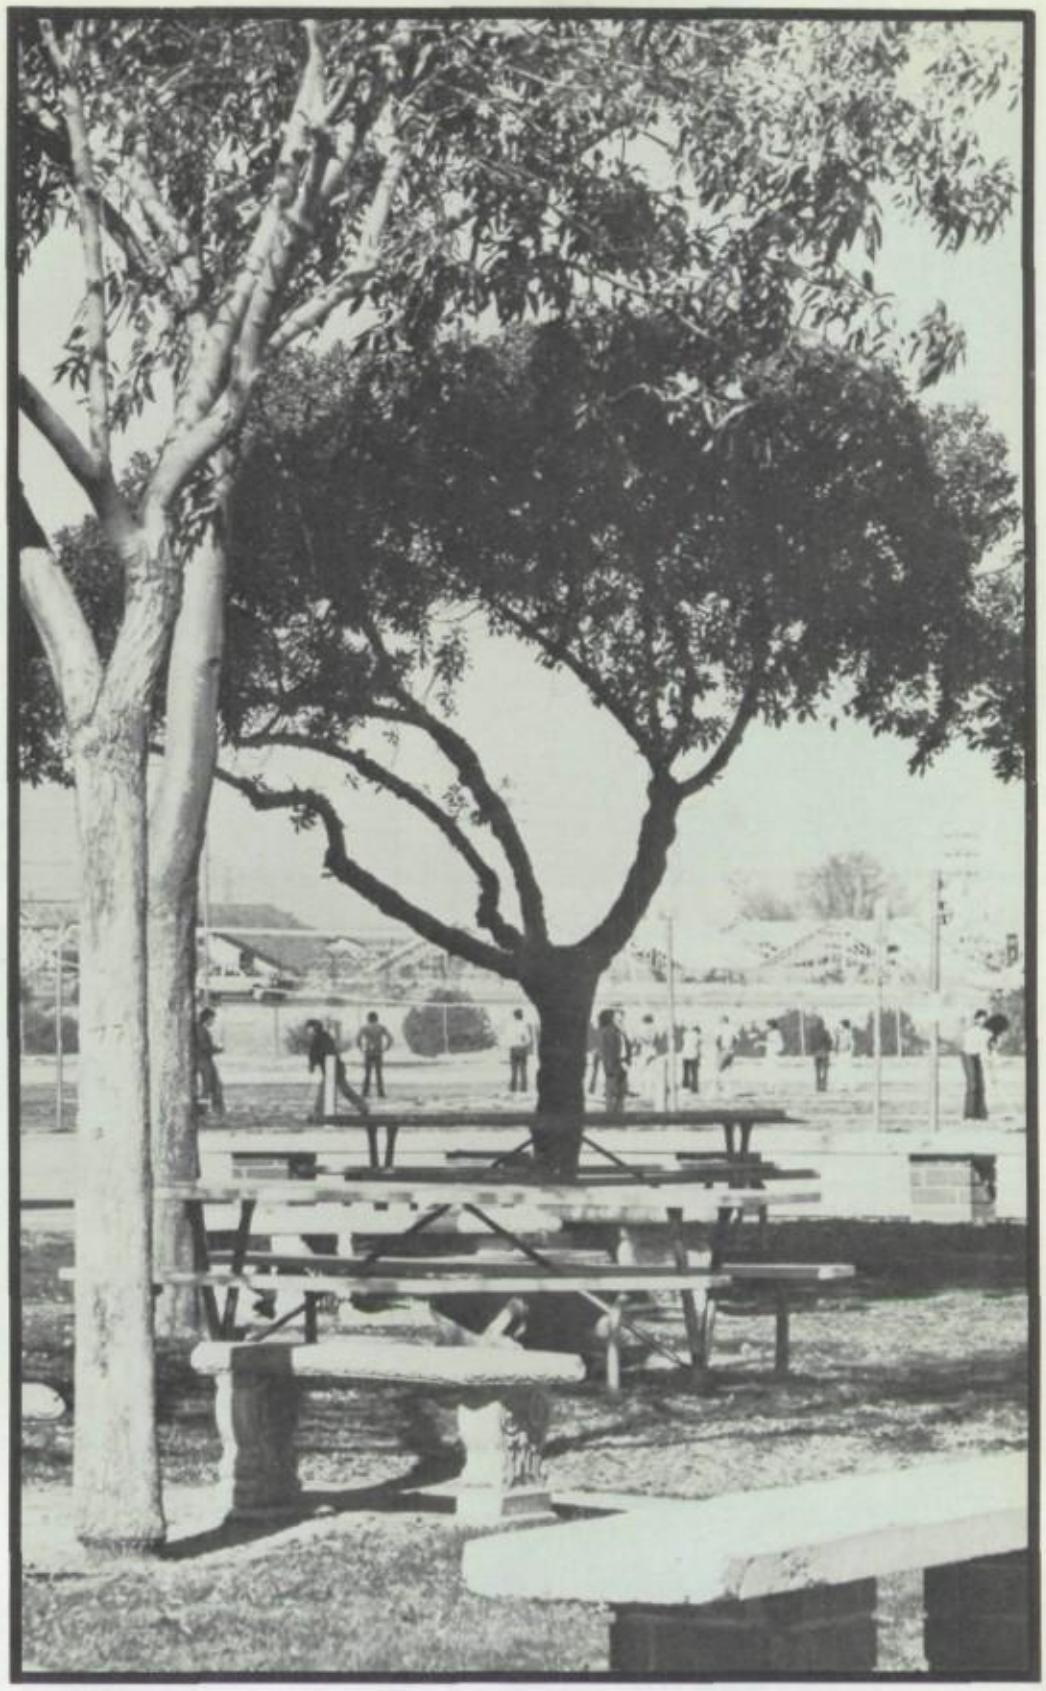
RICHARD GAHR HIGH SCHOOL



The staff of Memoriae Aureae would like to express its appreciation to the number of businessmen and merchants who have shown an interest in Gahr High School and its student body by contributing to our advertising section. Without the continued support of these businesses throughout the years, a yearbook such as this would not be possible. We, as a student body, should patronize these businesses to show that we need their support to make a book like this every year.

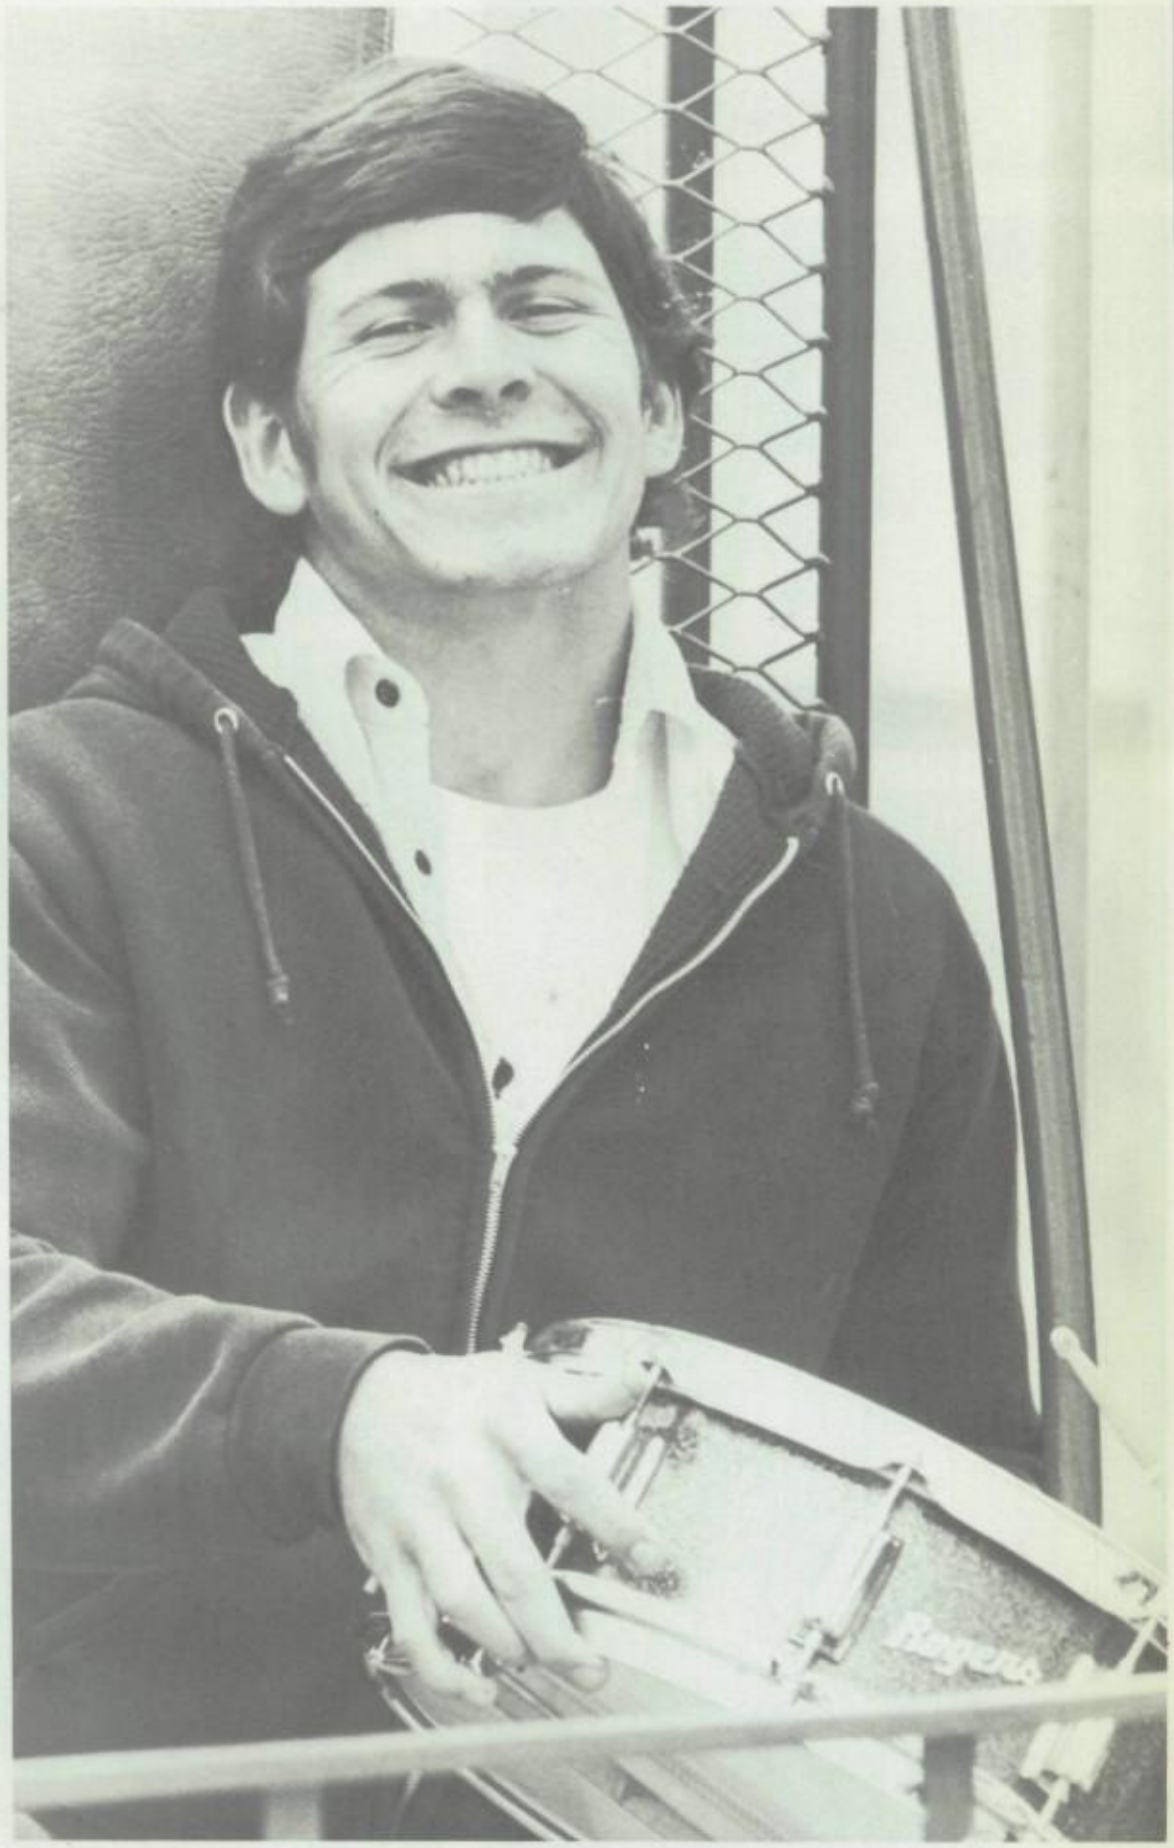
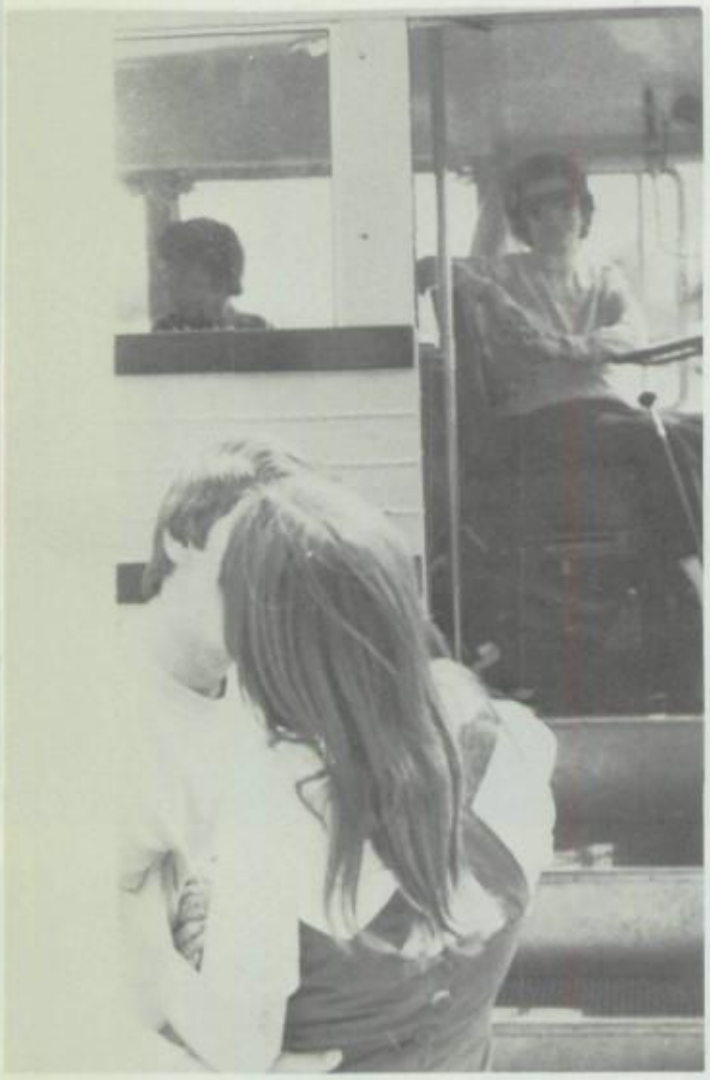
When you look back on any event or time in your life you remember different things. Not only the good times but also the bad, the **embarrassing** moments, defeats and triumphs. No matter



how they seemed at the time, they're all remembered with fondness.



Memories are individual specialized things. We take events and personalize them. Perhaps meaningless to others, they're special when they're your own. However you chose to remember the past year, hold on to those memories,
